Heavy Duty Cleaner

Product Description

The Heavy Duty Cleaner is a highly effective and versatile, all-purpose cleaner for tough greasy and difficult to clean areas. The Heavy Duty Cleaner is powerful and easily removes oils, hydrocarbons, greases and heavy soiling from multiple surfaces. All of this cleaning power without any caustic or nasty fumes or hazards like chlorine or bleach.

Areas of Use

The Heavy Duty Cleaner can be used as a general purpose cleaner. It is strong enough to tackle greasy dirt and grime but safe enough to use everyday. It may be applied with a mop, sponge, sprayer, pressure washer, or auto scrubber.

Benefits

Currently being certified by Environmental Choice Australia.
Concentrated for low carbon emissions in transport.
Economical to use.
Non toxic to humans, animals and aquatic life.
Safe for the environment.

Safety Information

The product requires no special precautions in normal use. It is botanically based, safe and non-hazardous, however as when handling any chemical, avoid contact with the eyes and prolonged contact with the skin. Use adequate ventilation. Wash hands thoroughly after use.

For further safety information refer to the MSDS for Heavy Duty Cleaner for further information.

Technical Information

Biodegradable.
Zero VOC content.
Phosphate free.
No abrasives.
No harmful solvents.
No phenols.
No caustic alkalis.
No aggressive biocides.
No ozone depleting substances.
No chlorine or bleach.
