nature's cleaner

## Multi Purpose Cleaner

### Product Description

This is an all-purpose cleaner that smells wonderful, works fabulously and doesn't leave any chemical residue. This cleaner sprays on easily, removes grease and stuck-on debris, and leaves the area smelling fresh and clean. Designed to be used on most washable surfaces it is a non-abrasive cleaner composed of water-soluble cleaning agents and biodegradable synthetic detergents.

### Areas of Use

Multi Purpose Cleaner is ideal for use in hospitals, schools, child care centres, food service areas, shower rooms, hotels, gymnasiums, offices, factories and virtually every other kind of facility.

### Benefits

Currently being certified by Environmental Choice Australia.

Concentrated for low carbon emissions in transport.

Economical to use.

Non toxic to humans, animals and aquatic life.

Safe for the environment.

### Safety Information

The product requires no special precautions in normal use. It is botanically based, safe and non-hazardous, however as when handling any chemical, avoid contact with the eyes and prolonged contact with the skin. Use adequate ventilation. Wash hands thoroughly after use.

For further safety information refer to the MSDS for Multi Purpose Cleaner for further information.
