Neutral Floor and Hard Surface Cleaner

- ✓ made from natural botanical extracts
- ✓ concentrated to minimise packaging and carbon emissions in transport
- ✓ powerful certified cleaning power

Neutral Floor and Hard Surface Cleaner is a highly efficient cleaner for floors, walls, woodwork, and other washable surfaces where a neutral pH range solution is desirable. Ideal for high polish floors where the use of harsh detergents could cause degradation of floor finish.

Neutral Floor and Hard Surface Cleaner

Product Description

The Neutral Floor & Hard Surface Cleaner is a highly effective and versatile, low foaming all-purpose cleaner for high polish floors and surfaces where the use of harsh detergents could cause degradation of the floor or surface finish. The Neutral Floor Cleaner is pH neutral and easily removes oils, hydrocarbons, greases and heavy soiling from floors, walls, and other hard surfaces and is ideal to use before burnishing.

Areas of Use

The Neutral Floor Cleaner is ideal for resilient stone, concrete, vinyl, terrazzo, quarry tile, plastic, ceramic, rubber, enamel, formica, stainless steel, painted or varnished surfaces, marble and wood.

Benefits

Currently being certified by Environmental Choice Australia.
Concentrated for low carbon emissions in transport.
Economical to use.
Non toxic to humans, animals and aquatic life.
Safe for the environment.

Safety Information

The product requires no special precautions in normal use. It is botanically based, safe and non-hazardous, however as when handling any chemical, avoid contact with the eyes and prolonged contact with the skin. Use adequate ventilation. Wash hands thoroughly after use.

For further safety information refer to the MSDS for Neutral Floor Cleaner for further information.

Technical Information

Biodegradable.
Zero VOC content.
Phosphate free.
No abrasives.
No harmful solvents.
No phenols.
No caustic alkalis.
No aggressive biocides.
No ozone depleting substances.
No chlorine or bleach.
No EDTA.
